Subject: Recognition opportunity for students active in the community

TO: Vice Presidents, Deans, Departments Heads, Directors, Managers, Coordinators
FROM: Mike Piggott, Director, Community Relations
DATE: September 22, 2006

Annually, the Lafayette – West Lafayette Chamber of Commerce sponsors the ***Community Activity Recognition Awards*** for Purdue students who go above and beyond the average call for local community activities while maintaining a high level of academic achievement. We ask that you identify two or three seniors from your school or department, who have demonstrated these qualities, and send their name, email address and mailing address to the Chamber of Commerce by November 23, 2006

Lafayette – West Lafayette Chamber of Commerce
Kathy Stewart
PO Box 348,
Lafayette, IN 47902

You may email your nomination information to Kathy@lafayettechamber.com. The Chamber of Commerce will mail a participation form to each student requesting further information about their involvement in the community and their academic record. A panel of judges, consisting of Chamber members from the University Relations Committee, will then select the students who will be named as the 2007 recipients of this award. Typically, about three students are selected. These recipients will receive special recognition and a plaque during half-time of a Purdue women's basketball game.

I appreciate your help in identifying these outstanding Purdue students!

Sincerely,
Kathy Stewart
Director of Marketing & Major Events
